- Some 200 Exhibitors participate annually, traditionally attracting crowds of 4,000 – 5,000 visitors' during the two days of the event.
- A Non-profit organisation, run by a Committee of volunteers, the majority of who are also particularly involved in local primary production.
- The event directly benefits a number of local Country Fire Authorities and Community groups, and is a vital component of their annual fund-raising opportunities.

An open Invitation to Exhibitors to participate

The 2018 Wandin Silvan Field Days Committee are preparing for our next event – for an incredible 49th year. An amazing achievement and a tribute to all of those involved.

On behalf of our Committee, I would like to invite you to participate as an Exhibitor to ensure the continuation and success of this popular and important local community event.

We actively encourage the participation of exhibitors who are particularly able to support our Horticultural theme

Strategically located in the heart of the renowned and beautiful Yarra Valley region of Victoria, the Wandin-Silvan Field Days are held at the picturesque Wandin East Recreation Reserve and hosts some 200 Exhibitors.

Today more than ever, we are all conscious of getting value for our money when purchasing items for our farms. These Field Days not only provide the opportunity for visitors to see the latest in farm machinery, technology and related services, but it is also a great opportunity to catch up and network with others in the industry and local area. The price and quality of machinery and equipment can be compared at the one location, with patrons able to have face to face contact with dealers and suppliers. Exhibitors traditionally display and sell a full range of goods and equipment for town and country, and provide the most up-to-date information and research relating to agricultural business.

The re-badged "Information & Lifestyle" Pavilion, complimented by the General Interest Marquee, will provide the opportunity for us to host a wide number of special interest exhibitors selling such as food, produce, clothing and jewellery just to name a few.

In 2017, the Wandin Silvan Field Days were held in fine weather and were a great success, with exhibitors reporting some excellent sales over the two days and more importantly, great post event follow-ups.

Both Exhibitor and patron numbers were up on previous events, with local CFA and sporting groups benefiting from shares in the gate takings as a result.

This Prospectus contains the relevant Application Forms that need to be completed to register your interest in participating, along with general information regarding our event. Please complete and return, or contact us if you require any further information.

I look forward to welcoming you to Wandin and hope that you will enjoy your time at the 2018 Wandin Silvan Field Days.

William Anker

President
