Wandin Silvan Horticultural & Farm Machinery Field Days

CELEBRATING 57 years 2026

Friday 16th & Saturday 17th OCTOBER 2026

info@wandinsilvanfielddays.com.au | www.wandinsilvanfielddays.com.au

Wandin East Recreation Reserve, Monbulk-Seville Road, WANDIN EAST

It is with great pleasure that we invite you to the 57th year of the Wandin Silvan Field Days.

A significant achievement and a tribute to all of those involved. On behalf of our Committee, I would like to welcome all regular and prospective exhibitors to our 2026 Field Days event, inviting your participation to ensure the continuation and success of this popular and important local agricultural and community event. We continue as a not-for-profit organisation, operated by a Committee of local volunteers.

2026 will mark the 57th year we have hosted this event, marking a significant milestone for us all. Plans are taking place for some extra features as a highlight – plus our Committee also welcomes any input of ideas or suggestions to highlight the occasion.

Favourably located in the heart of the renowned and beautiful Yarra Valley and Dandenong Ranges region of Victoria, the Wandin Silvan Field Days are held at the picturesque Wandin East Recreation Reserve, with participants and exhibitors from several areas of Australia. We endeavour to maintain our niche 'Horticultural and Farm Machinery' theme, actively encouraging the involvement of all exhibitors, and particularly those who can endorse our theme.

Our popular Field Days provide the opportunity for visitors to see the latest in farm machinery, technology and related services, along with the chance to catch up and network with others in the industry and local area. The price and quality of machinery and equipment can be compared at the one location, with patrons able to have face to face contact with dealers and suppliers.

The **"Information & Lifestyle"** Pavilion, complemented by the **General Interest Alley**, enables us to host a wide number of special interest exhibitors selling regional food & beverages, homecrafts, nursery produce, clothing and jewellery, just to name a few.

This Prospectus contains the relevant Application Forms that need to be completed to register your interest in participating, along with general information regarding our event. Please complete and return, or contact us if you require any further information.

I look forward to welcoming you all to Wandin and hope that you will enjoy your time at the 2026 Wandin Silvan Field Days.

Brad Finger
President
